FROM THE GUIDANCE OFFICE

Juniors: If you are considering a career in education at some level, the Education Academy allows students to use two high school class periods to take a college course each semester, and the Academy pays for the cost of tuition. This is a great opportunity to learn more about the field of education while receiving free college credit. See your counselor for more information.

SCC SCHOLARSHIP: Seniors enrolled with SCC can apply for their Educational Foundation Scholarship until May 22. Apply at www.southeast.edu/admissions/fin_scholarships.asp
Request your transcript from the guidance office after you apply.

SENIORS: If you have received any other scholarships since Honors Night please let the guidance office know so that can be included in the Graduation program.
